2024

Within this booklet you'll find a selection of some of the items that we have available in our furnishings and accessories stock. Whether you're looking for dining tables, chill-out seating, bars or lighting, all of these items have been carefully selected to complement one another so that you can pull together a diverse selection of pieces to create a truly unique and personalised space within your marquee. We're constantly adding to our stock, so if you have something in mind that you don't see listed, please ask. If we don't have it squirrelled away in our warehouse, we're usually quite happy to add new items on request.
